Ideal for cosmetic and personal care, contract packagers and the pharmaceutical industry.

For tamper evident seal labeling of straight and reverse tuck cartons.

This open-frame servo driven pressure sensitive labeler handles a wide range of cartons and label applications at speeds up to 200 cartons per minute.

- Servo-driven labeling machine
- Open-frame design
- Stainless steel construction
- Stainless steel raised-bed conveyor
- PLC controls
- Swivel-mounted color touch screen HMI Control
- Speeds up to 200 cpm
BRONCO  Model 130 TE
Tamper Evident Seal Labeler

Standard Features
- Tamper evident seal labeling of Straight and ReverseTuck cartons
- Servo-driven overhead belt for transfer of cartons from cartoner to labeler’s infeed
- Single or Dual label dispensers
- Clear label capability
- Open-frame design
- Stainless steel construction
- Stainless steel raised-bed conveyor
- PLC controls
- Swivel-mounted 6” color touch screen HMI controls
- Recipe management
- Servo-driven label dispenser
- Repeatable heavy-duty dispenser mount with digital adjustment
- Variable dispensing speed up to 1,500” (38 meters) per min
- Speeds up to 200 cpm

Size of Labels
- Length: Min: 3/4” (19 mm) Max: 7” (178 mm)
- Height: Min: 3/4” (19 mm) Max: 7” (178 mm)
- Roll Size: Max: 14” (355 mm) with 3” (76 mm) core diameter
- Optional larger roll size available

Carton
- Length (L): Min: 3 1/2” (90 mm) Max: 7” (178 mm)
- Width (W): Min: 1” (25 mm) Max: 7” (178 mm)
- Height (H): Min: 5/8” (16 mm) Max: 10” (254 mm)

Air & Electrical Requirements
- Air Supply: 80 psi, 2 scfm
- Power Supply: 208 VAC, 3 phase, 60 Hz

Overall Measurements
- Length: Base Labeler 90” (229 cm)
- Width: Single dispenser - approx. 40” (102 cm)  
  Dual dispensers - approx. 80” (204 cm)
- Height: 85” (216 cm)

Available Options
- Dual unwind motorized label feeding system
- Label coding (hot stamping, laser, thermo transfer)
- Inspection and reject systems

Dimensions shown are for basic machines and may vary depending on options. In view of our policy of continuing research and product improvement, actual specifications may vary from those shown. Please consult with an NJM Packaging representative regarding your specific requirements.

All NJM Packaging equipment is covered by a one year warranty on parts. A comprehensive nationwide service, parts, and sales support program is available for the life of your equipment. A customized Preventative Maintenance Program for this equipment is also available.

Contact our Customer Service Department at (514) 337-2289 for more information.

This equipment can be purchased separately or as part of a fully integrated packaging line. Contact your sales representative for full details on other packaging equipment and complete turnkey line integration services.

Protected by one or more U.S. and foreign patents.
