

BOTTLETRACKER™

CONTAINER TRANSPORT SYSTEM

Newest BottleTracker™ container transport system for serialization compliance

Together with our select business partner, Optel Vision, NJM can provide the total solution for Pharma Track & Trace and Serialization needs.

NJM's newest BottleTracker™ container transport system provides for serialization compliance.

FEATURES AND BENEFITS

- Stand alone system for container and label association
- Can accommodate up to 6 cameras plus inkjet print head
- Fully adjustable belts for a wide range of container sizes
- Available with discharge conveyor and reject system
- Can be integrated to a new or existing labeler
- Approx 60" of additional floorspace required

Call your NJM Representative at 800-811-6990 for more information on how this BottleTracker™ System can be integrated into your machine.
