FINALTOUCH™ PRINT & APPLY FAMILY

FOR CARTONS, TRAYS, BUNDLES, CASES, TIRES AND
OPTIONAL SERIALIZED LABELING COMPLIANCE

NJM Packaging, a ProMach product brand in the Pharma Business Line, is a trusted automated packaging systems manufacturer, integrator, and support resource. We offer a broad range of technology, specializing in the needs of pharmaceutical, nutraceutical/vitamin, and personal care and industrial beverage product packagers

NJM offers a full-range of Print & Apply labeling machines capable of handling a wide variety of end-of-line applications.

FINALTOUCH™ 403

PRINT & APPLY

This Print & Apply labeler achieves vertical and horizontal labeling of bundles, and cases at speeds up to 60 products per minute. When equipped with optional application tools, side labels, top labels, corner wrap labels and two-panel labels can be applied. This labeler can also support serialization.

- Compact design
- PLC Controls
- Tool-less adjustment & changeover
- Quick disconnect plug in sensors
- Swiveling yoke for top and side applications
- Zebra ZE-500 Print Engine

FINALTOUCH™ 410

PRINT & APPLY

Designed for maximum versatility and reliability, performing high-speed print & apply labeling to sides or ends of cases or trays, at speeds up to 120 per minute. Robust construction ensures long life reliability and accuracy in harsh environments.

- Allen-Bradley PLC controls
- Servo driven feed roll system
- Fiber optic label gap sensor
- Smart rewind system
- Speeds up to 120 cpm

FINALTOUCH™ 401X

PRINT & APPLY

Combines flexibility with an up to 36" reach tool, to label pallets, drums, tires and an assortment of other large products. This unit is versatile, repetitive and offers quick format changeovers. It also features accurate and reliable long-life operation for harsh environments.

- Heavy duty construction
- Allen-Bradley PLC controls
- Smart rewind system
- Retractable machine frame
- Standard reach up to 14 inches

 **PROMACH**[®]

 **NJM**[®]

The world's proven, trusted, single-source provider of automated packaging machinery for pharmaceutical, nutraceutical, and personal care products, NJM offers both stand-alone solutions and integrated systems for packagers of solid dose and liquid pharmaceuticals, biopharmaceuticals, vitamins, and food supplements. As part of the ProMach Pharma business line, NJM helps our customers protect and grow the reputation and trust of their consumers. ProMach is performance, and the proof is in every package.
