SOLID DOSE, LIQUID & LABELING

FULLY INTEGRATED PHARMACEUTICAL PACKAGING SOLUTIONS

From one machine to an entire packaging line, NJM Packaging is your single-source pharmaceutical packaging equipment supplier.

NJM Packaging's vast experience and product knowledge enables our customers to profit from well-designed lines consisting of the best, most appropriate technology for their particular needs without having to deal with a multitude of vendors. One source means quicker, smoother installations, simplified paperwork, comprehensive validation documentation and better after-sale service.

- NJM offers a full range of quality pharmaceutical packaging and labeling equipment to handle most any application, from tablet packaging to liquid packaging, including turnkey line integration services.
- Our team of sales, engineering and manufacturing professionals, and after-sales staff are at your service.
- If you want to finalize your project quickly, with smoother installation, comprehensive documentation and better after-sale service support, please contact NJM Packaging.
